

## PRODUCT DISCONTINUATION

### 3000 Micro GC – Product Discontinuation

INFICON will discontinue sale of the 3000 Micro GC product line on December 31, 2016.

The discontinuation covers:

- 1, 2-channel chassis
- 3, 4-channel chassis
- Portable 1, 2 channel chassis
- Sample conditioners, accessories and checkout gases
- Cerity software

#### Ordering Deadlines

INFICON will honor outstanding quotes for 3000 Micro GC orders until December 31, 2016.

#### Micro GC Fusion Replaces 3000 Micro GC

Micro GC Fusion<sup>®</sup> with expanded analytical capabilities is designed to replace the 3000 Micro GC. Please contact us for a Micro GC Fusion demonstration to see for yourself how this fast, reliable and simple to use instrument can help you make quick evaluation on product and process quality.

#### Service and Repair

INFICON plans to provide repair service and replacement parts for five years (December 31, 2021), as long as parts remain available.
